

Certified Respite Providers Cuyahoga Family Supports Program

The following providers have submitted all required paperwork to NEON to be included on this list of certified respite providers for Cuyahoga Family Supports Program services. This list will be updated as providers complete certification requirements and request to be added to this list.

Families who need to have respite services and do not have a provider identified may call any of these providers to request respite services. The arrangement is between the family and the provider, including the cost for the service.

In Home Respite (Sits) - the provider comes into the families home to provide respite services.

Out of Home Respite - the individual goes to the provider's home to receive respite services.
